

## GRAZIA HEALTH & BEAUTY

### THE WAITING-LIST SERUMS

Swisscode Hyaluron, £45 (already loved by Courteney Cox and Jennifer Aniston), sold out in 48 hours when it launched in Switzerland; cue a waiting list of 10,000 in the UK. Instantly smoothing and plumping, it uses the purest form of hyaluronic acid you can buy. Naturally produced in young skin cells, hyaluronic acid depletes as we age, causing wrinkles to form.
